

About us

Shree Warana Vibhag Shikshan Mandal (SWVSM, est. 1964) is education revolution backed by co-operative industries; incepted by Sahakar-maharshi Late Shri. Tatyasaheb Kore to provide quality education to poor, deprived and deserving students. With the sprawling campus of 200 acres, the SWVSM houses K.G. to Ph.D. courses in basic and technical sciences.

About College

Tatyasaheb Kore College of Pharmacy (TKCP), established in the year 2004 is one of the leading institutes of Western Maharashtra catering Diploma, Degree, PG & Ph.D. courses in Pharmacy; with the mission 'To excel in Professional Pharmacy Education through student centered learning, scholarly research and service to the society'. The college has state-of-the art facilities, dedicated human resource & all necessary amenities to translate students into leaders. We genuinely strive to multi-round development of all stakeholders of professional pharmacy education, including teachers and students. Conducting such programme is one noble step towards the goal.

About the Programme

Higher Education (HE) is revamping with the pace ever before. Global challenges including global warming, depletion of the natural resources, prevalence of the infectious diseases, technological advancements are impacting the expectations of the HE. With implementation of National Education Policy (NEP) 2020, India is planning to bring major changes in the education system with - "availability of physical and human resource infrastructure, transparent governance, success to achieve objectives" are being the three indicators of performance of Higher Educational Institutions (HEI's). This refresher course compliments India's moment in education and aims to empower professional pharmacy educators to excel in three important domains i.e. pedagogies, research, and administration leveraging overall contribution of HE's in nation building.

Objectives of the Programme

- To train teachers to use modern days teaching tools and methodologies in teaching-learning process
- To inculcate research skills, research aptitude, research culture in professional teachers
- To train teachers to make administration effective and transparent
- To facilitate accreditations, NIRF and other rankings of HEI's

Technical Experts

Resource persons consented are eminent personalities in HE including Vice Chancellor(s), Professors from institution of repute, researchers from centre of excellence and industry experts.

Eligibility & Selection

Faculty from AICTE approved Institutions are eligible for the programme. As the seats are limited to 50, selection will be done on 'first come first serve basis'. Priority should be given to ISTE Life Members. Selected candidates will be informed by email. Only two candidates can apply from the same institute per program.

Certification of the programme

An online test will be conducted at the end of the program. The certificates will be issued to only those participants who have attended the program with minimum 80% attendance and scored minimum 60% marks in the test.
