Subject - Regarding to increase in pedagogical skills using ICT tools...

Respected Sir,

With reference to above cited subject, I thought POC – II theory subject to S.Y.B.Pharm during academic year 2022-23. As per the students feedback I had used less numbers of ICT tools in the class room, from today onwards I will use maximum numbers of ICT enabled tools for better understanding and depth knowledge related to whole subject.

Thanking you,

(C.M.Y. V.A. Bagat.)
