One Day National webinar on **nanotechnology in healthcare-Challenges and opportunities** was organized by CRS on Thursday, 28<sup>th</sup> October 2021. The chief guest of the inaugural function Prof. Dulal Panda (Director, NIPER Mohali, Punjab, India) provided an outlook on the importance and requirement of nanotechnology to alleviate various diseases. Eminent speakers from India and across the globe shared their insight into the evolving area of nanotechnology in healthcare.

**The Hands-on-Training: Development and stabilization methods for Nanoparticulate Drugs** One day workshop under the category of academic extension and research under the lead college scheme, Shivaji University, Kolhapur on 9<sup>th</sup> March 2022 and organized by SWVSM'S, Tatyasaheb Kore college of Pharmacy, Warananagar. The main objectives of this hands-on training were to impart basic techniques and tools involved in the formulation development and stabilization of nanoparticulate drugs. Also, to inculcate research skills and create future proof of research in Nano-pharmaceuticals. To encourage and motivate PG students and Ph.D. scholars for availing the recent advances in nanotechnology research and to provide demonstration, practical knowledge, and troubleshooting through hands-on
